United Kingdom, Iceland, Norway	05 Jan	Storm Frank particularly struck Northern Ireland and Scotland last week, causing power outages, road closures as well as ferry, rail and air traffic disruptions. Disruptions in mail delivery in parts of North and East England might be possible. The storm front also hit Iceland and Norway, causing road closures in eastern Iceland and power outages along the west coast of Norway.
Belgium	05 to 07 Jan	Significant Rail Disruptions due to Rail Strike in Belgium: After parts of the railway unions have withdrawn their strike call in Flanders, unions in Wallonia, where many rail routes pass through, hold on to their call for rail strikes from January 05 to 07. This causes cancellations and delays in Belgium and also impacts international rail traffic to Germany, France, Great Britain and the Netherlands. For further information please refer to the websites of Eurostar, Thalys and Deutsche Bahn
